

Adrenalize Ticket Policies

1. At each performance where tickets are for sale online from Adrenalize, all tickets must be shown on entry. No further inspection will be conducted, other than to ask a valid ticket to be shown and/or stamped. The only exception is where a fraudulent copy is discovered, in which case the ticket serial number will be searched online and matched to its rightful owner. This is effectively the same policy as large scale ticket vendors.

**2. If an event is cancelled or rescheduled for any reason, the options are in place to either obtain a refund or have the original ticket(s) honored on the new date.

**3. If for any reason you can't make it to a show the option is in place to transfer your ticket(s). Doing so will formally change the name in the event database associated with the ticket serial number(s) and provide an extra layer of security for the new ticketholder.
